*Join Us for Our Last Hot Stove Night of the Season*

---

WHERE: Lovells Village Café-Downtown Lovells

WHEN: March 26, 2015

TIME: 6pm till 9pm'ish

Steven Sendek is a very interesting and knowledgeable speaker of things close to our hearts here in Northern Michigan... you won't want to miss this one!

Steve Sendek will be with us on the 26<sup>th</sup> of March for the Hot Stove Night. We will be talking about the influence the expanding wolf population may have on hunting, hunting dogs, people, and pets in the UP.

Steve has some up close and personal experiences to share, and your opinions, adventures, and tales are also welcome. There are many opinions and positions regarding the presence and impact of wolfs. The official policy is somewhat uncertain and seems to be heavily dependent on popular opinion.
